

# Human rights impacts of drug policies

How can better drug policies help improve  
prison conditions and protect human rights?

**THE EXPERT PANEL WILL EXPLORE ISSUES INCLUDING:**

- Right to health, including healthcare in prison.
- Arbitrary arrest (including compulsory detention treatment centres) and disproportionate sentences.
- Particular impacts of the 'war on drugs' on women.

**Date** Monday 18 April 2016

**Time** 8.30-9.30 am

**Venue** Conference Room B, UN Headquarters, New York
